

the nation, and in particular the national merchant marine program;

(3) The relationship of the proposal to:

(i) The public need for the potential results of the research, development, or demonstration effort, and whether it is unlikely that similar results would be achieved in a timely manner in the absence of Federal assistance;

(ii) Whether the potential opportunities for non-Federal interests to recapture the investment in the undertaking through the normal commercial utilization of proprietary knowledge appear inadequate to encourage timely results;

(iii) The extent of the problems treated and whether the objectives sought by the undertaking are national, widespread, or regional in their significance;

(iv) The extent of opportunities to induce non-Federal support of the undertaking;

(v) The degree of risk of loss of the investment inherent in the research, and the availability of risk capital to the non-Federal entities which might otherwise engage in the field of the research so as to further timely development of the technology; and,

(vi) The availability of appropriations to MarAd.

(b) In terms of the particular objectives of the project, whether the project has:

(1) High technical merit which promotes or represents an innovative idea, method, or approach;

(2) Program value not previously recognized or pursued by MarAd; and,

(3) A reasonable degree of probability of achieving the stated objectives.

§ 385.52 Criteria: Applicant.

The criteria to be used by MarAd in evaluating all applicants prior to award of a grant or cooperative agreement are as follows:

(a) The qualifications, capabilities, resources (both financial and technical) and experience of the applicant;

(b) The facilities or techniques which the proposer possesses and offers which are considered to be integral factors for achieving the objectives of the proposal;

(c) The qualifications, capabilities, and experiences of the proposed investigator, team leader, or key personnel, who are considered to be critical in achieving the objectives of the proposal;

(d) The precision and detail with which the applicant states its plan to further the formally adopted socioeconomic and environmental policies of the United States e.g., the encouragement of minority business enterprises); and,

(e) The extent to which the applicant will share the total estimated cost of the project.

FORMS OF AGREEMENTS

§ 385.60 Scope.

Sections 385.61 through 385.62 describe the form and content of the two parts which comprise a grant agreement or a cooperative agreement which will be executed by MarAd and a recipient of financial assistance.

§ 385.61 Grant and cooperative agreements: Special provisions.

(a) MarAd has adopted two format matrices, one for grant agreements and one for cooperative agreements, to accommodate the variables inherent in undertaking a project with a particular recipient. These variables include, for example, identity of the recipient, scope of work, schedule of performance and obligations assumed by both parties.

(b) The format matrices are available on request from the Awards Officer, and a copy of each is included in the information kit provided to all potential recipients of financial assistance.¹

(c) MarAd will adapt the appropriate format matrix to the extent deemed necessary when drafting the particular agreement to be executed by MarAd and a recipient of financial assistance for a specific project.

§ 385.62 Grant and cooperative agreements: Standard general provisions.

(a) MarAd has adopted two standard general provisions which apply to

¹An informational copy of both format matrices accompany this regulation as filed in the Office of the Federal Register.
